

Hi Kevin,

This is a long overdue thank you for the shirt you sent me a few months ago. I LOVE your shirts! They fit beautifully, they're comfortable and exactly the right length. They're also warm when they need to be warm and cool when they need to be cool. How do you do that?!

Whenever you need to send out an email, you know who to contact!

Thanks again.

Hi Kevin,

Thanks so much for the pictures! Both our Director of Tennis (Paula Scheb) and our Head Tennis Pro (Holly Chomyn) only wear the SanSoleil shirts on the tennis courts. They both need the sun protection as well as looking really great in the beautiful prints.

We really appreciate selling your shirts in our shop. Our tennis members love them!

Hi Kevin,

Sue Powers from Ladies Links Fore Golf. It was a pleasure meeting you at the PGA show and we appreciate your support of women's golf.

Thanks again for giving me a shirt at the LPGA awards ceremonies. I have worn the shirt several times at my club (and around town) and I always receive very complimentary comments about the shirt. And then when I tell them it has UPF 50, they ask for the website.

I was quite surprised how comfortable I was all day long while teaching in the warm Florida sun. I did not get hot even though it is long sleeved.

I have been on your site several times and will be placing an order shortly. I just can't decide which ones I like the most!

Thanks again and I hope we can work with your company in a partnership.

Regards,
Sue Powers

Hello sans Soleil,

I am sorry that I am NOT attending the PGA Show in Orlando. I am on the west coast and attend the las vegas show. I would like to thank you for your generous sponsorship of the l_p_g_a teaching and club pro team championship in Palm Desert California at Palm Valley Country Club. I love my long sleeve polo and get many compliments on pretty in pink. I would love to enter the contest I sure could use an iPad for teaching and keeping track of my orders of Sans Soleil.

Being in the desert where it is sunny 365 days a year I think everyone needs your product.

I look forward to a continued growing relationship in 2014.

May God bless you and your wonderful company

Dear Kevin,
I will enjoy my small ice cream cone, vanilla, of course! In Germany I play east of Hamburg at Golf Club Gut Grambek and also in Berlin at Berlin-Wannsee. Both courses are great, but Berlin-Wannsee is one of the most prestigious clubs in Germany. I do not think that the sansoleil shirts are sold in Germany, yet. Many greetings
Sabine
I played Gut Häusern, Eschenried, and some other courses around Munich. Gut Häusern is my favorite. How lovely your memories of your visits to Munich sound...

2014/1/12 Kevin Knight <kevin@line-up.com>

Hi Sabine.

Thanks for the nice note.

Where do you play in Germany?

I've traveled to Munich many times. (I used to run in the big park. I loved that run, with the Black River, the wood chip trails and the horses steaming from their early morning work outs.)

It's nice to hear SanSoleil has made the trip now too.

Let me know how league goes.

I would like to personally thank you for the great support you give the LPGA ... which is so much appreciated. It was such a pleasure to see your booth at the LPGA Team Championship in December 2013. And thank you again for your wonderful shirt ' SanSoleil'. It really is a great product and I am very happy to wear it. I find it a great name ... because in French sans soleil means without sun and of course it means there is a sun protection ...

Thank you for being such a great sponsor and thank you for all the support you give us which again is so much appreciated.

SanSoleil has come up with the perfect sportswear for the avid sports enthusiasts. Your UPF 50 SolTek fabric not only blocks 99% of the sun's harmful rays but also looks great. Those are two elements that are important when tennis players go to buy clothing to wear on the court.

Well, this weekend the winner was your shirts.

Sunday morning..all of my visiting N.C customers came back before they left to get more of your shirts. What a hoot. We had so much fun!

Another lady came by to look and said "it is about time that they came out with something with a pattern".

The owner of the ... the was in my store...asked how your designs were selling and I told her great!

There were 10 people around your shirts by a.m. Sunday morning. I love it!

Sorry! Missed your email and went right to the site!!! Let me know... I have the black top (I'm buying a second because I wear mine to death) and want the bottoms and the top in white. I wear these all the time - I can see why you are so busy. I have already been telling friends and even patients who have issues with the heat and/or sun - the fabric is so light and keeps you cool while protecting from the sun - it is amazing that on an 80 degree day, one can wear long sleeve black and still be cool. You really have something here. Good luck with the business and let me know if things are sold out - I hope the shorts are in! If not is there a chance of backordering pieces?

Hi Kevin,

Hope this email finds you well. Just a note to "thank you" for your continued sponsorship of the LPGA Teaching & Club Professionals events and providing a SanSoleil shirt for every professional at the LPGA National Pro-Am at Mission Hills Country Club. Without sponsors, like yourself, we would not be able to have our events.

Thank you again for being a fan of the LPGA Club Professionals. We love SanSoleil shirts and so do our students!!

Dear Kevin:

SanSoleil has come up with the perfect sportswear for the avid sports enthusiasts. Your UPF 50 SolTek fabric not only blocks 99% of the sun's harmful rays but also looks great. Those are two elements that are important when tennis players go to buy clothing to wear on the court.

Hi Elizabeth,

Thanks for the email.

I'll pass your suggestions on to design.

Tell me, are you wearing SanSoleil now for Tennis?

If so, what do you think?

Kevin Knight

Dear Kevin,

I have tried many kinds of sun protective clothing for tennis. I do like your product, especially the mesh venting on the underside of the sleeves. Light colors to help keep cool are always preferable. I wear a lot of whites. The dark colors get too hot in the sun.

The sleeveless polo and higher necks to protect the chest are good too.

Thanks!

Hi Kevin,

I spoke with Deanna yesterday at San Soleil and she suggested that I send you an email.

I am an LPGA Teaching Professional at Indian Tree Golf Course in Arvada, Colorado and I wear the San Soleil shirts all the time to teach golf! I love them! I am also a 2-time survivor of Breast Cancer and 7 years ago I started the Indian Tree Rally for the Cure golf tournament to help raise money for Komen Colorado which helps other women and men fight their battles against Breast Cancer.

Last year we raised \$12,000 and I am trying to get to \$15,000 this year. I was hoping that San Soleil could donate a gift certificate to raise money in our "Silent Auction" which would help us get to our goal. I think that all golfers should wear your shirts to protect themselves from the intense sun rays in Colorado and this would be a great way to show them how great San Soleil is. We have about 160 participants between the 18 hole and Par 3 tournaments that play on Friday, June 26, 2015.

I have attached our donation sheet and I hope that you will consider helping us raise money for Colorado women and men who are fighting this horrible disease. I have battled Breast Cancer for 22 years now and I am very passionate about helping others fight this disease!

Thank you for your consideration! I would be happy to pick up the donation or you could send it to the address below.
